Changing Lives

# ABOUT US

Family Care Center, a nonprofit 501c3 organization with the purpose of meeting the essential needs of Cherokee County residents. Established in 2008, we assist with food, clothing and other household necessities. The food bank reached our 1 millionth meal given away this year, thanks to sponsors like you.

As we continue to grow, we are currently building our new facility, move-in date to be early Spring 2024. It will better serve our clients, volunteers and staff with a long standing community building for those in need in Cherokee County. We are proud to have partners like you on this journey of development.
